

Watershed Wonders Colouring Pages

Watershed Wonders is full of exciting animals and plants that we would like to tell you more about.

Meet Harry our Hognose Snake

Didja Know” Hognose snakes when you meet them will hiss, flatten their neck, raise their head off the ground like a cobra. Discover more about the Hognose Snake in the Watershed Wonders exhibit at the Muskoka Discovery Centre – while we are closed due to CORVID-19 learn more about these amazing snakes at:
