Your Wedding aboard Muskoka Steamships

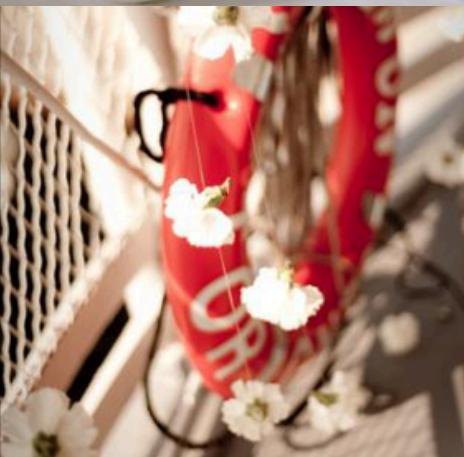

Our grand ladies can host any style of event you can envision for your big day; from intimate ceremonies to lively cocktail receptions we are here to help you plan every step of the way. Our professional, experienced team on shore and aboard will work closely with you to create an event that matches your personal style and vision.

The ships are chartered privately by the hour which allows you to build your cruise itinerary to your desired time and length. We do require a minimum 2 hour booking during the day and a minimum 3 hour booking from 5:00pm and into the evening. We generally recommend 2 hours for an onboard ceremony and 4 hours or longer for ceremony, dinner and dancing. Food and beverage expenses are subject to your choice of menus and are additional to the charter costs. All our ships are fully licensed with AGCO.

Muskoka Wharf in Gravenhurst is the home port to the Muskoka Steamships, however we are able to pick up your wedding party at alternate ports of call ranging from one of the grand resorts to private cottage docks located on lakes Muskoka, Rosseau and Joseph.* Should you choose an alternate pick up point there would be a repositioning fees associated with traveling to and from your location which would cover the basic operating costs of the ship, staff, the travel time to your departure location and Muskoka District fees in addition to charter rates. There may be times during the season and mid-week where there is flexibility with the hourly charter rates or repositioning fee.

One of the very popular wedding options is to combine your wedding ceremony onboard with a wedding reception at Muskoka Discovery Centre. Selecting two unique venues in one package will ensure a colourful wedding day, flexibility for your guests and best pricing available. Please inquire about availability and pricing.

*Subject to inspection and possible barge requirement for private docks.

Testimonials

"We had such a wonderful time. Everything went as we expected and the crew and purser were wonderfully attentive. We received great comments on the food and it all worked out well. All our guests raved about it for the rest of the weekend. If our wedding wasn't the next day I am sure some would have said it was the highlight of their weekend ;). We hope to see the crew on board the Wenonah again soon."
