Junior Camp (Ages 4-8) is designed for younger campers who enjoy active play, creative activities, and learning through hands-on experiences. Days include a mix of outdoor games, crafts, group activities and imaginative play, all planned with their age and interests in mind.

Each camp day is divided into eight activity blocks.

Splash Pad days (Monday, Wednesday and Friday) will take up two activity blocks.

Dress-Up Days take place every Friday and are always optional. Campers are welcome to participate in a way that feels comfortable for them.

Activities may change due to weather, camper interests or program needs. Our team will always adjust plans to ensure campers are safe, engaged and having the best possible day.
